

KitchenAid®

KITCHENAID® 44 DBA DISHWASHER WITH FREEFLEX™ THIRD RACK PRODUCT FACT SHEET

The 44 dBA Dishwasher has a FreeFlex™ Third Rack designed to fit everything in one load.

PRODUCT BENEFITS:

- **FreeFlex™ Third Rack**
The largest third rack available¹ has a deep, angled design that fits 6" glasses, mugs and bowls, without compromising space below for larger items. It features rotating wash jets to clean items in the rack, a drying bar to help reduce water spots on glasses and a removable utensil tray for cooking tools.
- **Quiet Cleaning at 44 dBA**
Provides quiet cleaning without compromising performance so there's no need to wait to run a wash cycle while entertaining or enjoying meals, even in open concept kitchens.
- **Fan-Enabled ProDry™ System**
Combines a heating element and fan for optimal drying performance. It circulates hot air around dishes after the wash cycle to give them a thorough dry when using either the ProDry™ Option or Extended ProDry™ Option.²
- **ProWash™ Cycle**
Uses sensors to measure soil levels throughout the cycle and adapts wash time and water temperature as needed for tough messes or lighter loads because no two meals or the dishes that result are exactly the same.
- **Adjustable Middle Rack**
Adds flexibility to fit tall items like a KitchenAid(R) Stand Mixer Bowl. The rack can be lowered to place large dishes inside or raised to make room for platters, pitchers, blender jars and more in the rack below.
- **Durable Stainless Steel Interior**
The interior tub of the dishwasher features the beauty and benefits of stainless steel. It resists

¹Among leading brands based on usable volume.

² Feature available for KDTM604K, KDTM704K, KDTM804K, KDPM604K, KDPM704K and KDPM804K models. Not available on the 404 models.

streaks, spots, stains, and odors while retaining heat to help improve drying.

- **Express Wash Cycle**

This shorter cleaning cycle helps makers keep up and always have the dishes they need while prepping, cooking and entertaining.

- **Energy Star Certified**

Exceeds government standards for energy efficiency, supporting sustainability and helping to save money on utility bills.

The new dishwasher with FreeFlex™ Third Rack is available with the following additions:

- **PrintShield™ Finish**

Resists smudges and fingerprints. The specialized coating for stainless steel is easy to clean with just water and a soft cloth, so you can spend more time cooking and less time cleaning up the kitchen.

- **LED Interior Lighting**

Illuminates the dishwasher when the door is open, allowing clearer visibility for easy loading and unloading.³
