

KitchenAid®

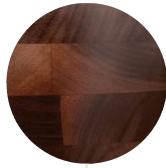

2024 DESIGN SERIES

Evergreen

KitchenAid® Design Series Stand Mixers blur the line between appliance and art through unique color, finish, and materials—giving Makers around the world unmatched potential for creative expression. Ground yourself in the 2024 Design Series Stand Mixer: Evergreen, a deep, forest green and with a first-of-its-kind true, walnut wood bowl. Evergreen brings the beauty of nature to your countertop, connecting your inner Maker with the outdoors every time you explore a new recipe.

THE COLOR:

Evergreen is a deep forest green with a lush matte finish.

THE HUB COVER:

Brass plated hub cover with a beautiful debossed leaf design and unique ridged edges.

THE KNOB:

Glossy deep forest green knobs harmonize in color with the body of the Stand Mixer for a stylish monochromatic look.

THE BOWL:

The bowl is a true walnut wood bowl with a unique wood grain pattern and food-safe finish. Every bowl has a one-of-a-kind wood grain design reflecting the Maker in you.

THE TRIM BAND:

Matte deep forest green trim band features a subtle leaf design and seamlessly blends in with the nature-inspired Stand Mixer.
